WASHING FOIN, D.O. 20300

## Concurring Statement of Commissioner Melissa Holyoak NGL Labs, LLC, FTC Matter No. 2223144 July 2024

According to thec

tendency towards magical thinking and their (sometimes less delightful) appetite for risk, children, tweens, and young teenagers are easy prey for unscrupulous actors like NGL, Vir, and Figueiredo.

I am grateful to the hardworking staff who have brought this important case. During my tenure at the Commission, I will encourage the Commission to devote its resources to its core mission – stopping fraud and protecting the most vulne **authleng** us<sup>9</sup>
